

FOR IMMEDIATE RELEASE

Halco Announces Close of Change-A-Light Campaign

Norcross, Ga., September 2008- Halco Lighting Technologies® announces the triumphant conclusion to its participation in the national 2007/2008 ENERGY STAR® Change a Light, Change the World campaign. On October 9, 2007 Halco joined ENERGY STAR® and a progressively greener community's effort to change, one light — one energy-saving step — at a time with its supporting pledge. The campaign, sponsored by The Environmental Protection Agency, Department of Energy, and Department of Housing and Urban Development, kicked off on October 3, 2007 and will be officially coming to a close on October 1, 2008.

Halco Lighting Technologies® is pleased to announce a total savings of 9,859,848 kWh and the prevention of an astounding 14,300,276 pounds of greenhouse gas emissions as a result of its collected pledges. Among the campaign drivers in the state of Georgia, Halco acquired the third largest number of individual pledges. Halco is also happy to report that they were in the top percentile among other leading light bulb manufactures.

Along its campaign trail, Halco participated in The University of Georgia and Georgia Institute of Technology's Earth Day festivities and actions along with teaming up with Oglethorpe and Kennesaw University with spreading the awareness. Halco would also like to thank and acknowledge the Jewish Council of Public Affairs, Jewish Family and Child Services, Smoke Rise Baptist Church, Best of Atlanta and several representatives and distributors for their combined efforts in Halco Lighting Technologies® 2007/2008 Change a Light, Change the World Campaign endeavors.
