

**FOR IMMEDIATE RELEASE**

**Halco Announces Alliance with Veolia with RECYCLEPAK®**

**Norcross, Ga., December 19, 2008-** Halco Lighting Technologies® is pleased to announce its involvement with aiding in the preservation and protection of the environment by carrying Veolia's® line of prepaid recycling kits, RECYCLEPAK®. Veolia Environmental Services (VES)® operates in over 42 countries and offers a complete range of services for the disposal of hazardous and non-hazardous lighting and electronic waste.

The Recycle kits ensure complete compliance with local and state disposal regulation and are available in variety of sizes for linear, HID, compact fluorescents as well as ballasts. Veolia's selection of prepaid packaging gives you a choice depending upon your needs. The price of each kit includes packaging, prepaid shipping labels and a certificate of recycling. Consumers simply store lighting wastes in the fully lined kits and ship the kits out when they are full. Veolia's award winning program makes recycling straightforward and convenient.
