**ProLED.**

Filament LED Series

The look and feel of period-style incandescent through state-of-the-art LED technology
The B10 and CA10 LED filament lamps maintain a classic look in chandeliers, while using 90% less energy.

**Specifications**
- Full glass design maintains the look of incandescent
- 2200K and 2700K color temperature options
- Clear and amber glass options
- ENERGY STAR Certified options
- Dimmable to 10%
- E12 and E26 base options
- 25,000 and 15,000 hour life options
- 3-Year Warranty
- UL Listed for damp locations

* NEW ITEM

* Useful Life is defined as the point in time at which the lamp will maintain at least 70% of its initial lumens. The lamp will continue to burn past this point, but at decreased light levels.

Warranty Commercial/Industrial: This product is warranted for 3 years from the date purchase.

Not for use in enclosed fixtures.

May not be compatible with all dimmable systems, dimming performance may vary by system, please check the website [www.halcolighting.com](http://www.halcolighting.com) for up-to-date dimmer compatibility information. Use on incompatible systems may shorten lamp life.
Upgrade standard A19 and S14 lamps with LED filaments for a trendy look and feel for under five watts per lamp.

**Specifications**

- Designed for indoor and outdoor use
- 2200K and 2700K color temperature options
- Clear and amber glass options
- ENERGY STAR Certified options
- Dimmable to 10%
- E26 base to fit standard luminaire sockets
- 15,000 hour life
- 3-Year Warranty
- Perfect for use in DecoStrand™ from Halco
- S14 lamps are UL Listed for wet locations
- A19 lamps are UL Listed for damp locations
- IP65 rated
