o NEW ITEM!

* Useful Life is defined as the point in time at which the lamp will maintain at least 70% of its initial lumens. The lamp will continue to burn past this point, but at decreased light levels.

Warranty – Commercial / Industrial: IP65 Rated JC lamps backed with a 5-Year Limited Warranty from the date of purchase; standard JC lamps backed by a 2-Year Limited Warranty from date of purchase; both warranties based on 10 hours of use per day.

May not be compatible with all electronic transformers.

Not for use in enclosed fixtures. Suitable for use in sealed metal landscape fixtures; standard JC lamps require protection from elements.

[†] Energy savings based on \$0.11 kWh over the life of the ProLED lamp.
