

## LED Luminaires

### Slim Downlight New Construction Kits

#### Specifications

##### Description

Get what you need, when you need it with the Slim Downlight New Construction Kits. Shipped in two boxes, the Kits decrease packaging waste as well as the number of times installers need to be on the job site. The first box contains (10) New Construction Pans with a pre-installed driver box. The second box includes (10) fixtures with the plenum rated, low voltage quick connect wire. Install the fixtures after the drywall ceiling is finished.

##### Performance

- Selectable color temperatures 2700K, 3000K, 3500K, 4000K, 5000K
- High CRI 90+
- L70 lumen maintenance > 50,000 hours
- 5 Year limited warranty

##### Certifications

- ETL listed
- Energy Star certified
- IC rated
- Wet location
- Title 20 compliant
- JA-8 compliant

##### Construction

- Aluminum housing
- Canless design with spring retention clips and remote mounted driver box
- Edge Lit LED design with frosted PMMA diffuser
- Field selectable CCT switch
- Field-selectable lumen output switch
- Remote driver box with plenum rated quick connect cord
