NEW ITEM!

* Useful Life is defined as the point in time at which the lamp will maintain at least 70% of its initial lumens. The lamp will continue to burn past this point, but at decreased light levels.

Represents lamps that are ENERGY STAR® certified.

Warranty – Commercial / Industrial: This product is warranted for 3 years from the date of purchase.

15,000 hour useful life rating is based on a maximum ambient temperature of 45°C. Exceeding this ambient temperature rating may result in reduced life.
